THE PEACHTREE
TROLLEY CO.
ADVERTISING SPECS

INTERIOR ADVERTISEMENTS

Dimensions are 24" W by 11" H.

When designing the advertisement please note that the actual vertical "live" space is about 10.5" H. This is due to the rack system that holds the ads in place. Therefore please leave any copy inside the live space. Set any bleeds at .25".

EXTERIOR ADVERTISEMENTS

CURB SIDE

Dimensions are 49" W by 16.5" H.

When designing the advertisement please note that the actual vertical "live" space is about 16" H. This is due to the rack system that holds the ads in place. Therefore please leave any copy inside the live space. Set any bleeds at .25".

DRIVERS SIDE

Dimensions are 40.5" W by 16.5" H.

When designing the advertisement please note that the actual vertical "live" space is about 16" H. This is due to the rack system that holds the ads in place. Therefore please leave any copy inside the live space. Set any bleeds at .25".

BACK OF TROLLEY

Dimensions are 28.5" W by 21.5" H.

When designing the advertisement please note that the actual vertical "live" space is about 21" H. and the horizontal "live" space is 28" W. This is due to the rack system that holds the ads in place. Therefore please leave any copy inside the live space. Set any bleeds at .25".

FILES ACCEPTED

High Res PDFs, Illustrator ai or eps with fonts converted to outlines and any linked files included. InDesign files with fonts and any linked files included.
